14 Airport Restaurants That Are Totally Worth A Layover

Order a four-course in the concourse. 🍴

By Suzy Strutner

[Airport food](#) has a reputation for being pricey and palate numbing, and once you're in the air, the meal options often get [even more dismal](#).

The dining establishments below, however, are breaking the norms for terminal fare. We consulted expert roundups, travel guides and passenger reviews to compile a list of top-ranked eats at some of the [busiest airports in the U.S.](#) Some spots look so good, they may constitute a trip all their own.

Atlanta International Airport
