Traveling — especially around the holidays — isn't for the faint of heart or weak of stomach. You'll need proper sustenance to fight the crowds and TSA — good thing there are plenty of spots in Hartsfield-Jackson International Airport to grab a bite.

One Flew South: Recognized as a James Beard Award semifinalist for outstanding service in 2014 and 2015, this much-lauded spot serves upscale cuisine including sushi, sandwiches and entrees including miso BBQ ribeye and salmon hot pot.
